

# **Surrey Lacrosse Association**

## **2010 Coaches Quick Facts Sheet**

A few points to keep in mind: (*references to SLA Operating Policy italicized*)

- Jerseys** Must **NOT** be used by players for practices - **EVER!** We recommend that you get a team jersey manager to take care of the jersey, washing them, bringing them to the game and taking home after the game. Jerseys are very expensive - failure to take care of these will result in deposit cheques being cashed. (*Section C-7*)  
**Wash in cold water, inside out. Hang to air dry - NO DRYERS!**
- Helmets** Must be worn on the floor at all times, by anyone under the age of 18. This includes any team helpers. (*Section B-4*)
- Name Bars** Are not permitted on ANY SLA jersey. (*Section C-6*)
- Paperwork** Make sure your team personnel has completed and submitted all criminal record checks, team lists, team contacts, BCLA 100 forms and other necessary paperwork, by established deadlines. No referees cheque will be issued until these are all done.
- Team List** Must be submitted to the SLA President, Vice President and Coaching Coordinator with contacts lists and uniform numbers, bench personnel and manager by no later than 10 April.
- Player Call-ups** Before contacting any players to play up for your team, you must first obtain approval from the coach of those players. No player can be called up for the 4th time without consent from the coach of the call up team, SLA Coaching Coordinator and President. (*Section C-8*)
- Tournaments** Please contact the SLA President with any out-of-province tournament requests. For in-province tournaments, please send a list with the dates that your team is attending to the SLA President and Scheduler, as this helps with rescheduling of league games.
- Home Games** Contact the SLA Scheduler no later than 14 days prior to any home game changes. Failure to do so will result to your team covering the cost of the floor time and officials fees. Once you reschedule, please confirm with the SLA Referee Allocator about getting referees.
- Practices** Contact the SLA Scheduler to book your practice times. Every team is given 2 - 1 hour slots, after which you can ask about booking more time. Let the Scheduler know if you will not be using your times during any week, so this can be used one-time only for another team. Carry your box permit with you at all times.

## Exhibition Games

Contact the SLA Scheduler for arena time, then the Referee Allocator for officials - this is a must. Your team is responsible for covering the officials' fees.

The officials fee per home game are:

Mini-Tyke & Tyke	\$15 X 2 = \$30
Novice	\$20 X 2 + \$10 for 30 sec = \$50
Peewee	\$25 X 2 + \$10 for 30 sec = \$60
Bantam	\$30 X 2 + \$10 for 30 sec = \$70
Midget	\$35 X 2 + \$10 for 30 sec = \$80

## Referees

Remember that without these referees, you have no game. Respect their decisions, as abuse of the officials will not be tolerated. Remember that you are your team's role model... respect these referees and make sure your players do too!

## 50/50 Licence

Your team must apply for and obtain a Class D licence before doing 50/50's at home games. Failure to do so will affect SLA's gaming application. A copy of your licence must be given to the SLA President. **Failure to obtain a Class D gaming licence before doing a 50/50 draw will result in the SLA suspending and disbanding the team.**

## Gamesheets

Make sure they are filled out correctly. If there is a officials game report, no team gets their copy of the gamesheet - it all goes to the Division Commissioner. A brief game report - score, referee information, teams played, concerns, etc. should be prepared by the Coach and sent to the SLA Coaching Coordinator and President after each game, as this helps us with future years' team placement requests to the Lower Mainland Minor Lacrosse Commission. Ongoing - please attach your SLA coach game results form to every gamesheet and hand in at year end.

## SLA Contacts

### President

**Dennis Ewen** 604-575-2275 [dennis@csteel.ca](mailto:dennis@csteel.ca)
