

SURREY LACROSSE ASSOCIATION

March 13, 2020

Hello Surrey Lacrosse Athletes.

Surrey Lacrosse is firstly concerned with its members; therefore, we want to follow the direction of our governing body (BC Lacrosse Association and ultimately the Canadian Lacrosse Association) while supporting your concerns around the Novel Coronavirus (COVID-19).

Until we hear further from the BCLA, practices are at the discretion of each coach and further, to the families and athletes willing to participate in practices.

We wish to leave it for individual people to make their own choices. This is in line with the federal mandate of their recommendation to only cease all gatherings of 250 people or more.

If the coaches are comfortable running practices, then people are at liberty to attend or not depending on their own comfort level. There will not be impacts to any player placement if they choose not to participate.

We would like to remind everyone they are not to share equipment and wish to stress cleanliness and of course, not sharing water bottles.

Also ensure that if there are athletes with any cough/cold/flu symptoms, they be politely asked to step off the floors.

If you have any questions regarding the Coronavirus, please refer to Fraser Health:

<https://www.fraserhealth.ca/health-topics-a-to-z/coronavirus/coronavirus-questions-general-public#.XmwqQmmp7qs>

or the BC Lacrosse Association updates with respect to COVID-19: <http://www.bclacrosse.com/>

If you have any questions, concerns, or comments, please do not hesitate to contact me by email.

Sean Reid
